TERRIER BREEDERS' ASSOCIATION OF CANADA, Inc.

CODE OF ETHICS

The Terrier Breeders' Association of Canada Inc., recognizes its responsibility to preserve and protect the Terrier Breeds in Group IV. It further recognizes that the quality and reputation of the breeds rest squarely in the hands of the breeders. Therefore, as guidance both to the public and its member-breeders, the Terrier Breeders' Association of Canada Inc., sets forth below, standards of conduct to be followed by its members:

- Members will promote the breeding of purebred Terriers and do everything to bring their natural qualities to perfection.
- A member will know and abide by Canadian Kennel Club rules governing record keeping, registration and sale and transfer of dogs.
- Warranties or other agreements pertaining to the sale of any Terrier will be in writing, with a copy provided to the buyer, seller and Canadian Kennel Club, if applicable.
- Members will guarantee the quality and condition of their stock. Any member selling a dog or puppy which he knows to have a physical condition or serious deviation from the standard will inform the buyer and the sale will be made with a CKC Non-Breeding Agreement. An additional spay/neuter agreement is encouraged.
- All breeding will be planned and aimed at improvement of the breed. The member will be familiar with the standard and will do everything in his/her power to discourage breeding from clearly inferior specimens of the breed, or to any such specimen with his/her stud. No dogs exhibiting a disqualifying hereditary defect, unsound temperament or poor health will be bred.
- If a dog or bitch produce offspring with the same serious defect detrimental to the animal's well being, such as blindness, deafness, lameness or impairment of the vital functions, from litters by three different mating partners, the member owning that dog or bitch will refrain from further use of the animal for breeding.
- No member will breed a bitch unless he/she has the time and facilities to provide proper care and attention to the physical and emotional development of the puppies and dam.
- No member will knowingly sell a puppy or provide stud services to any Pet Shop, Catalogue Houses or Warehouse Dealers or in any way knowingly aid or abet the sale of any Terrier breeds through a Pet Shop or Catalogue House.
- Advertising by members will be as factual as possible. Misleading, exaggeration or unfounded implications of superiority will not be used.
- Members will refrain from knowingly making unfair or untrue statements about the dogs or practices of others.
- Violations will be dealt with in accordance with the constitution.
